AMMAN- The Licensing Executives Society - Arab Countries (LES-AC) held the “Training of Trainers (ToT)” course certified by the Institute of Leadership & Management (ILM) in cooperation with the Arab International Society for Management Technology (AIMICT) July 07 -14, 2018.

Over seven days, the course focused on several key themes, most importantly: providing participants with practical training using the best practices and most effective and efficient technologies in training needs assessment, design training, presentation, assessment and development.

Accreditation of Talal Abu-Ghazaleh University College for Innovation (TAGUCI)

AMMAN - Talal Abu-Ghazaleh University College for Innovation has obtained the general accreditation by virtue of the decision of the Jordanian Accreditation and Quality Assurance Authority.

Talal Abu-Ghazaleh University College for Innovation is a college of business and information technology. The first university of its kind, TAGUCI will graduate inventors.

His Excellency Dr. Talal Abu-Ghazaleh said that the establishment of a university college for innovation is a necessity for all countries at the current time, pointing out that the basis of its work is the graduation of those who will be equipped to create knowledge-based inventions.

Dr. Abu-Ghazaleh asserted that reliance on the pillars of quality will push progress to

more advanced levels, which will prepare the educational institutions in the region to create a society that produces knowledge, thus ensuring the transformation of the civil state into an innovative state.

The College announced that registration is open and applications could be sent through its website: <http://www.taguci.com> starting the beginning of June 2018 for the academic year 2018/2019.
