LES - AC to Hold Its General Assembly's Annual Meeting in November

AMMAN - The Licensing Executives Society - Arab Countries (LES - AC) holds the annual meeting of its General Assembly, chaired by HE Dr. Talal Abu-Ghazaleh, President of the Society, with the attendance and participation of the Board of Directors and members of the Society in December 2018.

The attendees will discuss various topics including achievements and activities carried out in 2017-2018, the budget, and the auditor's report among others.

At the end of the meeting, recommendations and future plans will be discussed and approved by participants.

Talal Abu-Ghazaleh University College for Innovation Establishes Branch at Palestine Technical University - Kadoorei

AMMAN - Talal Abu-Ghazaleh University College for Innovation (TAGUCI) signed a Memorandum of Understanding (MoU) with Palestine Technical University - Kadoorei for the establishment of a TAGUCI branch at Kadoorei and enhancing future cooperation in fields that boost development of the higher education sector.

The MoU was signed by HE Dr. Talal Abu-Ghazaleh and Prof. Noor Abu-Rub, the President of the University, in the presence of Dr. Derar Eleyan, President

Assistant and Dean of TAGUCI, Dr. Muntaha Bani Hani.

During the meeting, Dr. Abu-Ghazaleh affirmed the importance of this partnership for him personally and for TAG-Org in general, noting that the University College will open its doors to all Palestinians.

Dr. Abu-Ghazaleh stated that signing the agreement comes in conformity with TAG-Org's role and aspirations in developing accounting and consulting services, as well as advancing technology, training,

education, Intellectual Property and Information Technology to keep abreast with the global level and make such aspirations a reality in Palestinian society.

For his part, Prof. Abu-Rub expressed his pride and admiration at partnering with TAG-Org; the global knowledge organization, pointing out that selecting Kadoorei to host TAGUCI's branch will enable the Palestine Technical University to offer distinctive educational services to Palestinian students.

The agreement also stipulates the enhancement of the level of knowledge exchange, implementing joint programs, strengthening cooperation in scientific research fields, and striving to find job opportunities for holders of university certificates, in addition to holding joint workshops and training courses.
